Dear Recruiter,

I would welcome the privilege of contributing to future growth and success as the new Software Engineer. I am confident that my academic history and aptitude for creative problem-solving will be an invaluable addition to your existing team.

My attached resume outlines all that I could offer your organization.

I thrive in environments where innovation and experimentation are encouraged and I love to explore new concepts. I am known for bringing about new inspiration and thought-provoking ideas. My diverse background has served me well in cultivating software engineering, technical analysis and programming strengths. These abilities, coupled with a passion for the field, are well-aligned with the requirements for the Software Engineer role. I perform best in a work culture that promotes high-energy teamwork balanced with positivity and collaboration.

I am dependable and creative with a strong work ethic and an artistic eye, but also bring a fun-loving and enthusiastic attitude. I possess experience in critical thinking, innovation and problem-solving and I am confident that my creative talents will prove to be an invaluable addition to your organization. I look forward to speaking with you about the opportunity to create and grow as your new Software Engineer Intern.

Sincerely,
Nitin Bisht
